DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

An initialed copy of the information disclosure statement filed on December 19, 2005, which had not previously been made of record, is being forward to applicant for applicant's records. The references listed thereon have been considered. Those references that were previously considered have been lined-through. It is noted that these references, each taken alone or in combination with the prior art of record, do not teach or fairly suggest the claimed invention.
